

What do I put in the offering plate when it comes around during worship?

We have created cards that will be in every pew which you can place in the plate. These indicate to all that you are using e-Giving to give!

What if I try it and don't like it? You can cancel your automatic deductions at the website anytime.

Can I look up my donations on line?

You can view all donations completed online, print out a statement, and even use it for tax purposes. Please note that the online statement will not show any offerings you gave at the church (e.g., checks & envelope giving). You may obtain your complete donation statement from the church treasurer.

How much does e-Giving cost? Nothing to you and a nominal fee to the church.

Can anyone at the church see my account numbers? No. No one at the church has access to your personal information; only the Envelope Service has secure access to your account information.

Can I use my credit/debit cards? At this time, the church has elected not to allow card use for donations. The fees are higher. We are, however, soliciting your opinion about offering this service for 2009. Please email your thoughts to Pastor Manisha at associate@ststephenstroy.org.

FAQ →

What is e-Giving? E-Giving is short for electronic giving. It is an automatic transfer program that allows you to make contributions without the hassle of writing checks.

How does it work? Go to our website, www.ststephenstroy.org and click on "Giving." Then, simply follow the directions to authorize an ACH deduction to be made from your checking or savings account; it will be transferred directly to the church's account.
