All Sunday School Teachers have offered their time and energy for the sake of your children for free. They are grateful when your kids attend regularly —it makes their gift worthwhile! The Rite 13, J2A and YAC groups all have activities outside of Sunday School that are highly recommended but optional.

I will make a concerted effort to bring my child(ren) to Sunday School every Sunday, knowing that God uses this time to help my child(ren) understand the hope and promise we have in Jesus Christ.
